About IIT Hyderabad

IIT Hyderabad is one among the 2nd generation of IITs started by the Government of India. Today IITH offers 11 B.Tech programs, 1 B.Des Program, 3 M.Sc programs, 18 M.Tech programs, 1 M.Des program, 1 MA Program and 15 Ph.D. programs in all branches of engineering, science, liberal arts and design. The very foundation of IIT Hyderabad is based on research and innovation. The vibrant research culture is evident from the number of patents and publications that IITH has. At IITH, students are given a plethora of choices, which they diligently choose with the help of a faculty advisor. Courses that last for a semester are almost

a foregone story at IITH. From 14-15 academic year onwards, all B.Tech programs started offering courses that are of smaller credits; called the fractal academics; very carefully designed to keep the students' enthusiasm and keep them in pace with state of the art from 1st semester till 8th semester. IITH, in the past couple of years, has been highly successful in building tie-ups with leading academic institutions around the globe. IITH is creating a unique holistic educational ecosystem that offers interactive learning, a highly flexible academic structure, cutting-edge research, strong industry collaboration, and entrepreneurship. It is providing an environment wherein students and faculty are not afraid to translate their dreams into realities. IIT Hyderabad is placed in National Institute Ranking Framework Ranking #8 and is among the top 10 from India in the QS World Rankings
